

I'm a college student working as a tutor, and the girl in front of me is my student. She may look cute, but her temper is the complete opposite.

Are you even trying? How did Daddy end up hiring a loser like you?!

If it weren't for Daddy's kindness, you poor, sloppy creep would never enter my home! Not only are you ungrateful, but you even have the nerve to make up stupid tests to waste my time!

As the spoiled daughter of a wealthy family, she's been coddled her whole life. The moment something doesn't go her way, she takes it out on me—not just with insults but with physical jabs as well.

Get on your knees!

But I underestimated just how spoiled and arrogant she is...

I'm sorry, Miss. Please forgive me

Apologies from a useless slob are worthless, just like your pathetic life.

She even threatened that if I didn't obey, she'd tell everyone I harassed her. How can someone so young be so evil and twisted?

All that fat on your body makes a decent cushion. Seriously, you shouldn't be a tutor, you stupid pig. Know your place!

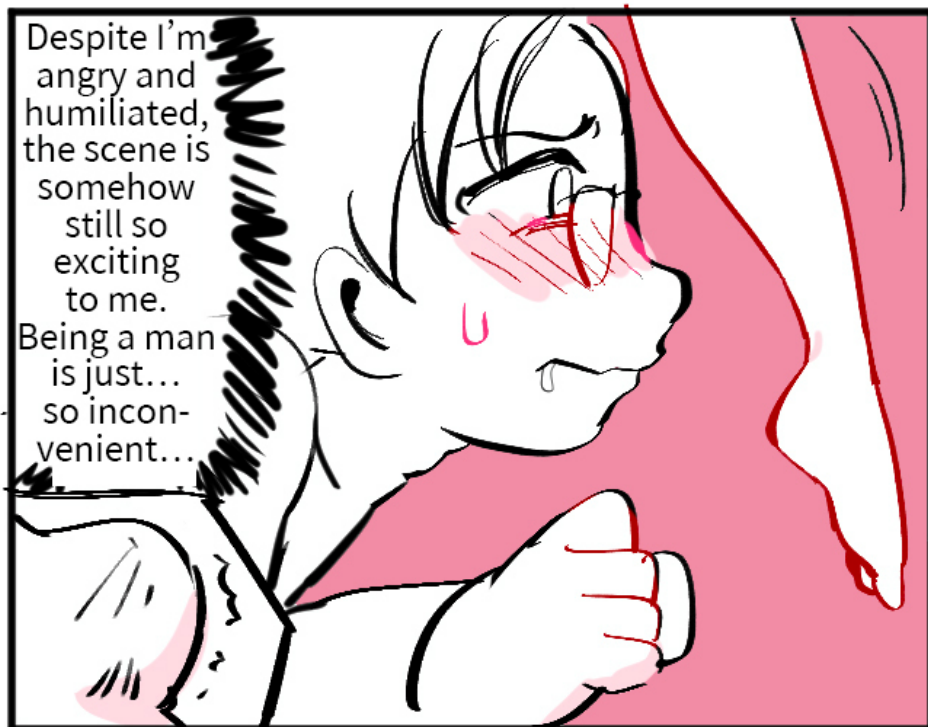

It's an honor for you to be my chair. For once, your worthless life has a bit of use.

You're broke, aren't you? After that, you will have to beg for a living! Haha, pathetic beggar.

If I tell Daddy you groped me, he'll not only fire you and make sure you're expelled from college.

What's going on?! Where's that loser? Is this... a mirror?

Did...it work?! I thought it was Grandpa's rambling nonsense. Who knows that there is a swap body spell?

Hmph, I will make you learn the truth!

My voice ...? It's so gross! Explain it now!

What did you say?!

Look at your dumb face. Still don't get it, do you? Your proud, spoiled 'little miss' identity is mine now!

You're the stinking loser! Turn me back now or you'll regret it!

No wonder you loved stepping on people so much. It's actually kind of addictive.

Still think you're the high-and-mighty 'little miss'? Look again! You're now the pathetic loser you hated so much.

Ouch!

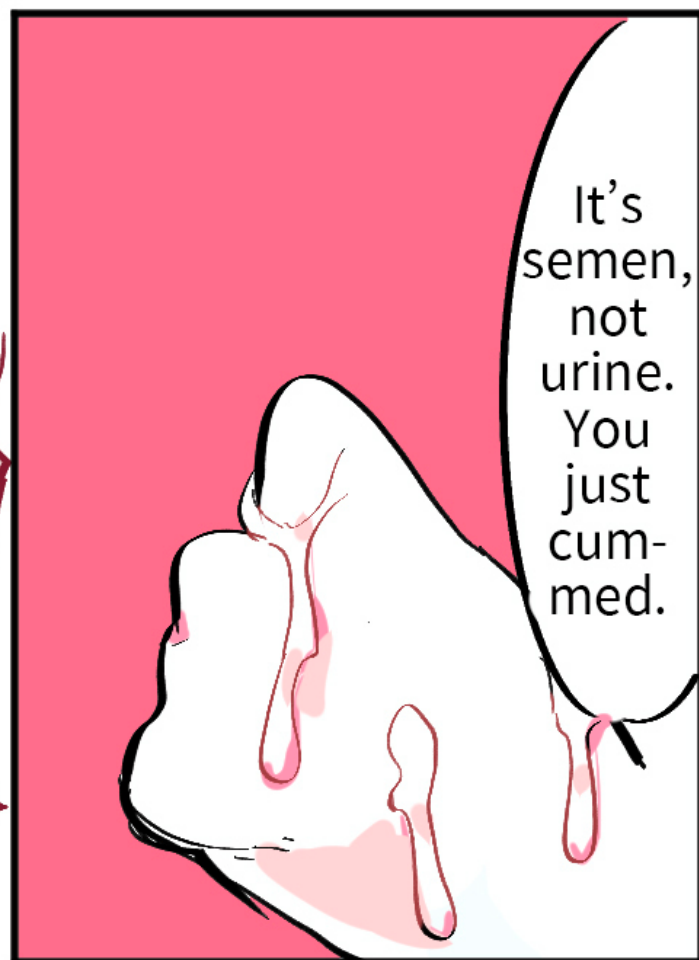

This body feels so heavy! And even though my private parts hurt, there's a strange heat rising up inside... I just... want to do something about it...

Ah! Get your feet off me!

Oh really? What can you do? Say we swapped bodies? Who's going to believe you? Not even your dear Daddy would listen.

After
ejaculation,
I feel weak
and dizzy
but so
incredible

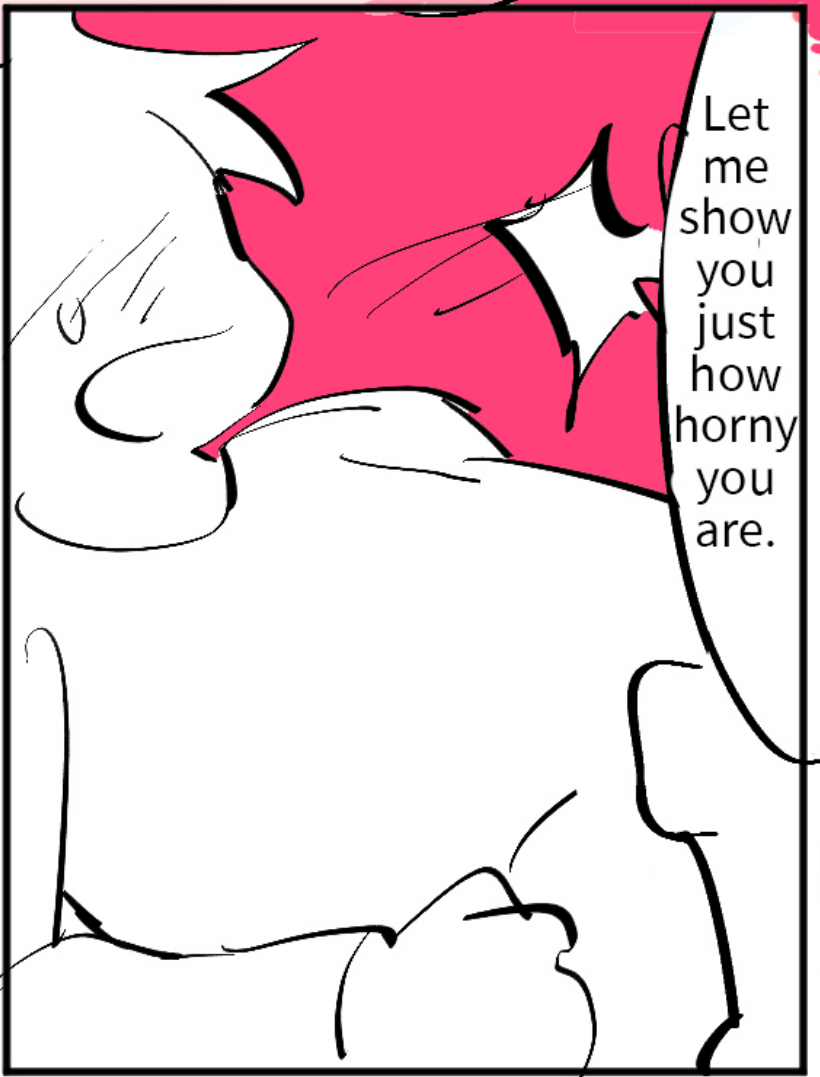

....
No!
I have to
stop him
from
messaging
with
my
body!

**That's
enough!
Stop
messaging
with my
body!**

The
noble lady's
making
love juice
because of
a loser licking
her legs.
So, all that
'high and
mighty'
was just
an act,
huh?

AH
AH~
You
loser's
cock
is in
my
pussy!

Let
me
show
you
just
how
horny
you
are.

Of course.
I want to
share the joy
of becoming
a woman
with Daddy.

How's
going,
baby?
Do you
miss
Daddy?

Baby,
what's
going on?
Get out of
there now!
Daddy is
coming to
save you!

Daddy,
the
tutor's
cock is in
my pussy.
It's so huge
and thick!
AHAH~
He
fucks me
so hard
that
I can
barely
stand!

Yay ah~!
The tutor
cums
inside me!
Daddy,
I get
cummed
inside!

No!
The tutor
says he has
more fun things
to teach me!
I love my
tutor's dick.
UM UM~
It's
so deep!
It's in
my womb!

You're going to die so miserably and I will use your body to enjoy life. Don't you love your Daddy? How about I hook up with him sometime?

Now your dear Daddy will make you pay! HA HA HA!

Why...
Somebody
help me!
